

South East Grey Community Health Centre

The South East Grey Community Health Centre (SEGCHC) is a primary care facility located in Markdale, ON. SEGCHC is dedicated to meeting the broader needs of the communities in which we serve through the development and implementation of primary care, health promotion and community development best practices.

SEGCHC is currently seeking a full-time, permanent **Registered Dietitian** (37.5 hours per week). The Registered Dietitian will provide a balance of nutrition counselling and community programming.

Key responsibilities include:

1. Performs nutritional assessments, development of client-focused nutritional plans, health education/counselling and other clinical activities in accordance with the College of Dietitians of Ontario standards of practice.
2. Perform community-based nutrition needs assessments and identify barriers to acquiring adequate food security and facilitate and support community initiatives to improve food security.
3. Contribute to chart documentation, participation in chart reviews and case conferences, and make referrals to other clinical organizations/individuals as required.
4. Participate in the development, implementation, monitoring and evaluation of treatment education, counselling and health promotion programs and services for individuals, families and the community.

Education and experience required:

1. Undergraduate degree in food and nutrition program from a recognized university or equivalent.
2. Dietitians of Canada accredited Dietetic Internship or equivalent approved experience or graduate degree in community nutrition.
3. Registration with the College of Dietitians of Ontario.
4. Three to four years of clinical counselling and community nutrition experience.
5. Strong knowledge of nutritional issues affecting clients, thorough knowledge of community based health care and resources.
6. Demonstrated ability to work independently and as a team member within an evolving role in an inter-professional environment.
7. Experience in program development, implementation, monitoring and evaluation.
8. Excellent communication and presentation skills with a demonstrated ability to undertake nutritional counselling (individual and group)
9. Proficiency in the use of computers and various software applications including electronic medical records and Microsoft Office.

Please send your cover letter and resume to Lindsay Boyd at Lindsay.boyd@segchc.ca by 4pm Friday, March 23, 2018.
